The Board of Director's proposes the following distribution of earnings:

<u>Balance carried forward</u>	<u>5,701</u>
Total	6,356

Thursday, 15 April 2021, is proposed as the record date for payment of the dividend. Provided that the Meeting resolves in accordance with the proposal, dividends are expected to be distributed by Euroclear Sweden AB on Tuesday, 20 April 2021.

The Board of Director's proposed distribution of earnings represents 9 percent of the parent company's equity and 8 percent of the group's equity.

Indutrade's dividend policy is that the dividend, over time, shall amount to between 30 and 50 percent of the profit after tax.

In light of the expected economic development, the Board of Directors finds that the proposed dividend is well balanced considering the objectives, scope and risks of the company's operations as well as the ability to fulfil the company's future obligations.

If the dividend had been paid at year-end, the group's equity/asset ratio would have amounted to 44 percent. After payment of the proposed dividend, Indutrade is expected to have a continued good financial position.
